

# HOUSTON COUNTY GEORGIA

## 2026 BUDGET IN BRIEF

*Updated 6.17.25*

# COMMISSIONERS

**Dan Perdue**

Chairman, Board of Commissioners

I am pleased to present the Proposed FY2026 Houston County Budget. With a history of strong fiscal management, Houston County maintains a healthy financial position while navigating inflationary pressures and serving our growing population of over 170,000 residents. The FY2026 budget was developed through careful discussion with Executive Leadership and Department Heads, ensuring alignment with our 2022-2026 Comprehensive Plan and long-term fiscal sustainability.

As Chairman of the Houston County Board of Commissioners, I remain steadfast in our focus on what government should do best: delivering exceptional public safety and infrastructure services with maximum efficiency and effectiveness. Rather than broadening our scope, we are committed to excelling at the fundamental responsibilities that matter most to our citizens. When our residents call 911, they deserve rapid response. When they drive our roads, they should be safe and well-maintained. This budget reflects that core philosophy.

We've taken a disciplined approach to staffing, adding no new positions in this proposed budget. However, when we set the millage rate in the coming months, we plan to consider an amended budget that may include essential positions specifically in public safety and infrastructure—the areas where strategic growth can directly enhance the services our citizens depend on most.

A transformative change this year is our implementation of a floating homestead tax exemption, providing homeowners with both predictability and meaningful relief in their property taxes. While this policy has moderated our expected revenue growth compared to previous years, it represents our direct response to what constituents consistently told us they needed. This measured approach to revenue growth allows us to balance responsible fiscal management with genuine taxpayer relief.

To ensure critical needs are met, we are strategically putting our general fund reserves to work on essential capital projects that didn't make it into our SPLOST plan. The construction of a HEMA warehouse is a prime example—using every available resource wisely to address real infrastructure gaps that impact our community's safety and preparedness.

I am deeply privileged to work alongside each of my fellow Commissioners, who bring unique experiences and perspectives to our collective work. Despite welcoming four new members to our Board in recent election cycles, including myself, we have maintained remarkable cooperation, transparency, and integrity in all our deliberations. Each Commissioner demonstrates genuine dedication to understanding complex issues and reaching thoughtful solutions that serve Houston County's best interests. Their commitment to excellence and collaborative spirit makes my role as Chairman rewarding and effective. I am continually impressed by their willingness to tackle complex challenges with wisdom and care. The people of Houston County remain at the forefront of all our decision-making. Their love for their community is irreplaceable and fuels our collective aspiration for its betterment.

I am eager to continue leading the Houston County Government in delivering the essential services our citizens deserve in the most effective manner possible.

Sincerely,

A handwritten signature in blue ink that reads "Dan Perdue". The signature is fluid and cursive, with a long, sweeping underline.

Dan Perdue, Chairman, Houston County  
Board of Commissioners

# COMMISSIONERS

## **Shane Gottwals** Post 2

Shane Gottwals's work assignments include developing and maintaining appropriate personnel policies and fringe benefits for county employees. He is liaison for the City of Centerville. Other departmental assignments include the Houston County Library Board, the State Court and support departments, and the Superior Court Clerk's Office.

## **Gail Robinson** Post 3

Post 3 Commissioner Gail Robinson is liaison to the Juvenile and Magistrate Courts and supporting departments. Commissioner Robinson also works closely with the Sheriff's Department, the E-911 services, the Fire Department, the Houston Emergency Management Agency, Purchasing, and serves on the Animal Control Board.

## **Tal Talton** Post 4

Tal Talton's department work assignments include the Board of Elections, Public Works, and the Probate Court. Commissioner Talton is also responsible for working with the Tax Commissioner, Computer services, and the Building Inspection and Zoning. He is liaison for the City of Perry.

## **Mark Byrd** Post 5

Post 5 Commissioner Mark Byrd is responsible for reviewing and developing appropriate fiscal policy. Issues affecting the operations of the county's Landfill, the Tax Assessor's office, Superior Court, District Attorney, and the Water system also come under his purview. He is liaison for the City of Warner Robins and the Board of Education.

## What is a tax cap?

Since 1982, Houston County Government has operated under a tax cap. This means that if the value of all properties that are taxed in Houston County (otherwise known as the tax digest) increases too rapidly, the Board of Commissioners is forced to reduce the millage rate. This occurred in 2022 after property values in Houston County began to rise rapidly. That year, the tax cap forced a reduction in the County's millage rate from 9.935 to 9.81.

## Our Response:

In FY2025 the Board of Commissioners elected to a full rollback, reducing the millage rate for County Taxes to 8.501 mills. The Board of Commissioners also voted to opt into Georgia's Floating Homestead Exemption, allowing homeowners to gain an additional exemption based off of inflation rates.

### Your Tax "Dollar"

- Culture and Recreation (1.75%)
- Highways and Streets (11.02%)
- Judicial (17.23%)
- Housing and Development (1.36%)
- Public Safety (48.93%)
- General Government (19.11%)

One mill results in one dollar of tax for every thousand dollars of assessed value. The chart above shows how that "dollar" is spread out to provide services for the citizens of Houston County.

Airport	44,600.00	44,600.00	0.00%

Notable increases include:

- A 1,170% increase in Emergency Management. This increase is due to allocation of assigned fund balance for the design and construction of an Emergency Management storage facility and warehouse capital project.
- An 11.7% increase in EMS Ambulance Services. The Board of Commissioners is committed to supporting the operational cost of emergency services provided by Houston Healthcare.
- HEMA CodeRED - The Board of Commissioners has approved a contract with a new vendor to provide improved emergency alerts to Houston County residents.
- Superior Court - An additional judge was added to the Superior Court in FY2025. The FY2026 budget includes funding for support staff, capital improvements, and operational expenses related to this addition.
- Libraries - Houston County Public Libraries has increased staff in order to provide additional services and circulations to Houston County residents.
- Recreation - The Board of Commissioners partners with the Houston County Board of Education to fund operational and maintenance of the Tommy Stalnaker Aquatic Center. Increase in budget includes electricity and chemicals.
- Significant personnell reclassifications & reorganization in Sheriff's Department

## Expenditures by Department

Department	FY2025	FY2026	% Change
Water	9,280,548	12,268,706	32%
Stormwater	35,000	35,000	0%

**Notable decreases/increases include:**

- The Board of Commissioners has signed a new contract for Solid Waste Collections with Ryland Environmental. The new contract lowers rates for homeowners by allowing subscription-based services for recycling and bulk yard waste.
- Capital outlays have not historically been budgeted in business-type enterprise funds. The Houston County Water System has several capital outlay projects planned for FY2026, such as a new water treatment plant and engineering expenses for the Bonaire elevated tank.

## Expenditures by Department

Department	FY2025	FY2026	% Change
Solid Waste Collection	7,411,011	6,575,466	-13%
Solid Waste Disposal	5,676,466	15,596,095	175%
Closure Post Closure	973,509	1,273,378	30%

**Notable decreases/increases include:**

- The Board of Commissioners has signed a new contract for Solid Waste Collections with Ryland Environmental. The new contract lowers rates for homeowners by allowing subscription based services for recycling and bulk yard waste.
- Capital outlays have not historically been budgeted in business type enterprise funds. The Houston County Landfill has multiple capital outlay projects planned for FY2026 including cell closure, cell expansion, and equipment upgrades.
- To prepare for long-term environmental responsibilities, Houston County invests in our Closure Post Closure reserve fund, ensures we have the resources needed to safely manage the landfill after it closes —without unexpected costs to taxpayers in the future.
